3. The following is an examiner's statement of reasons for allowance:

Regarding Independent claims 1, 15, the examiner finds the novel and non obvious feature of claims 1 and 15, when read as whole to be the user selected conversation representation causing the transition between plurality of different call states.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
